TENANT ALERT

Holiday Season Safety Reminders

November 30, 2023

Winter is quickly approaching, and with this in mind we wanted to offer a few reminders about safety and security to ensure we all enjoy a safe and prosperous holiday season.

1. Be aware: Be alert to your surroundings and the people around you.
2. Trust your instincts: If something doesn't feel right, it might not be.
3. Stay in well-lit areas and use the buddy system after dark when possible.
4. Avoid distractions: Avoid texting or lengthy cell phone use while walking.
5. With frosty temperatures arriving, please take care to minimize slips and falls on slick surfaces.
6. Do not put frozen foods in hot oil, it will flame up and cause a fire.
7. Do not use propane heaters indoors or in areas with poor circulation due to carbon monoxide dangers.

If you see suspicious activity, please call 9-1-1 first and then Market Security at (206) 330-6609.

Visit the Market Tenant Dashboard on the Pike Place Market website to sign up for PikeALERT, the official emergency notification system used by the Market to communicate with staff and community members during emergencies. [https://www.pikeplacemarket.org/market-tenant-dashboard/#alerts](https://www.pikeplacemarket.org/market-tenant-dashboard/#alerts)

Lastly, take care of each other. We are lucky to have a community that cares for one another. Together we can keep the Market a safe and welcoming place for all.
