# TENANT ALERT

---

## **St. Patrick's Day Bagpipe Band at Old Stove Brewing**

**Sunday, March 17, 2024**

**4 - 7 p.m.**

A bagpipe band will be performing on the public space patio at Old Stove Brewing after a brief procession down Pike Place. In the event of rain, the bagpipe band will perform indoors in their dining area.

Sounds of bagpipes can carry a great distance. This event will create a temporary disturbance while performers are outside along the street and at the MarketFront.

Old Stove Brewing will be operating within normal hours and spaces. They will minimize the impact to public areas by having the band in the lesser used area next to the stairs. The event is free and open to the public.
