

TENANT ALERT

EVENT: PRIDE on the Pav: Handmade Artist Demos **Saturday, June 29 from 11am – 2pm**

June 26, 2024

Hello Market Community,

This Saturday, the Market will be hosting a special activation to celebrate PRIDE, PRIDE on the Pav: Handmade Artist Demos. We are encouraging shoppers to come to Pike Place Market to celebrate PRIDE with us on the MarketFront Pavilion and across the entire Market. We will showcase the incredible talents of three of our amazing LGBTQIA+ artists, who will be demonstrating their handmade crafts live. This will be a fantastic opportunity for shoppers to see the creative process up close, learn about different artisanal techniques, and support local artists.

Event Artists:

- [Manifest by Fatima](#): Showcasing her candle making process, featuring candles poured into Pike Place Pigs' unique piggy vessels.
- [Pike Place Pigs](#): A step-by-step demo from mold pouring and finishing to applying bisque and glazing.
- [CMS Ceramics](#): Demonstrating handmade wheel-thrown pottery.

How Can You Get Involved
