## Produce on Pike – Monthly Farmers Market on Pike Place

**Wednesday, June 12 from 3PM – 7PM**

Hello Market Community,

The PDA is excited to announce a new monthly Farmers Market, [Produce on Pike](#), which begins this Wednesday, June 12. These markets will take place on the second Wednesday of each month from 3pm to 7pm, June through October, on the north end of Pike Place. These markets are designed to drive locals and new audiences down to the Market while showcasing our local farmers. Each Farmers Market is also themed to align with the seasonal produce available that month. June will be our trial market and we will be reaching out to the entire Market community ahead of future markets with opportunities to get involved. Below is the full list of Markets:
