

Tenant Alert

Calling All Veterans: Share Your Story for Veterans Day

September 10, 2024

Hello Market Community,

In anticipation of Veterans Day on November 11, the PDA Marketing Team would like to honor our Market Community members who are veterans. Whether you're a business owner, employee, or resident who has served, we'd love to hear from you and learn more about your story.

The Marketing Team will be crafting profiles that talk about our veterans' service background, their connection to the Market, and what makes the Market special to them. We'll feature these on social media and our website blog during the month of November leading up to Veterans Day.

We know how rich our community is at the Market with folks coming from all backgrounds. We want to take this opportunity to honor those who have served our country and share it with our audiences who value shopping with veteran-owned businesses and supporting veterans.

If you're a veteran community member or know someone in the Market who may be interested in telling us about their experience, submit or email us below by Tuesday, October 1. We look forward to hearing from you!
